I am always amazed to see God at work, His work in our ministry and His work in our clients. He is so faithful and meets the needs we all have and 2010 was no exception.

We were able to reach out to women and families facing unplanned pregnancies and as a result, I can tell you that last year, 432 women came in for pregnancy tests. And 176 babies—many with parents once considering ending their pregnancies—were born as a result of this ministry.

We had 1,003 women come in for material items, for themselves and for their babies.

We also continue to minister to women who have experienced emotional trauma because of a past abortion.

However, the spiritual needs, which are vitally important, were also met. We gave out 121 Bibles and 52 decisions were made for Christ.

The total financial support we received in 2010 amounted to \$70,872.59 and our total expenses

were \$69,942.52.

So thank you for your continued faithful support. You've made a difference, and we appreciate your involvement in the work of Caring Pregnancy Options. It is a joy to partner with you in touching hearts and saving lives, one at a time.

CPO is a non-denominational, non-political, and non-profit ministry.

Purpose: Offering solutions of hope to those facing an unplanned pregnancy

Volunteers

Volunteers—Ministry team members—Servants, whatever you want to call them, our ministry would not be what it is today without them. They are a vital part of this ministry, so let me try to describe to you who they are---they are faithful, compassionate, loving, and helpful--missionaries. Yes, pure and simple

that is what they are, for they enjoy sharing the love of Jesus with our clients.

So, if this sounds like something you would like to become, please come by and pick up a volunteer application today and begin your journey as a *CPO missionary.

*Training is required and will be provided.
