As the days and nights become crisp and the leaves begin the annual display of God's creation at its most colorful and breathtaking, it seems only natural to turn to thoughts of appreciation and thankfulness. We at Caring Pregnancy Options are no different, however there is so much more than the beauty of trees for which we thank God. To be specific, although we have seen a significant rise in the number of abortion minded clients coming to us in the past

few months, we have also seen God work in mighty ways. Thanks to the dedication of our volunteers and the moving of the Holy Spirit we have only seen one client leave undeterred.

It is through God's grace and the loving dedication of our volunteers that we have been privileged to have witnessed lives changed and babies saved. What a blessing it is to be a part of such important work. It is with humble and grateful hearts that we praise God

for leading young women to come here where they can hear the truth and find love and compassion at a time of great confusion and distress. We may be able to give them material benefits but far greater is the eternal salvation to which we can lead them. In short, God fills the need that these women, and sometimes men, didn't even know they so desperately needed.

**CPO is a non-denominational, non-political, and non-profit ministry.**

**Purpose: Offering solutions of hope to those facing an unplanned pregnancy**

## Volunteer Spotlight

CPO volunteer Jenny Falk of Rossville, Kansas, can be found caring for clients on Monday mornings. Her involvement in the ministry began at the beginning of this year. Jenny decided to volunteer for Caring Pregnancy Options based on her birthday; she was born on the same day Roe v. Wade was decided in 1973. In fact Jenny believes if Roe v. Wade was legalized earlier she may not be here. This was no coincidence in her mind and knew the Lord had work for her to do in the pro-life ministry.

Beyond volunteer work is Jenny's family and church involvement. Jenny and her husband Loren have been married 17 years. They have two sons Caleb and Riley. She and Loren attend Rossville Christian Church in Rossville where Jenny helps with the Youth program by leading a small group Bible Study for the teen girls. In addition to the church work, Jenny also enjoys reading and jogging.
