Want to volunteer?

Do you or someone you know desire to serve at CPO? CPO is looking for more volunteers to help out in a variety of ways. For more information, you can call Carrie Carlson at 272-3316.

We want to say **Thank You** for your monthly support of CPO in 2008. We appreciate your generous giving which has allowed us to continue God's ministry. We helped 1,037 clients with maternity clothes and baby items and 520 pregnancy test clients in 2008. Forty-four of these clients accepted Christ as their Savior, Hallelujah!
